

North Ridgeville Corn Festival Junior Corn Festival Committee Misconduct Form

I agree to all policies and rules in the Mascot Performance Guidelines. I understand that by being on the Jr. Corn Festival Committee that I am representing the Junior Committee, the Corn Festival Committee, the City of North Ridgeville, and my family. I promise to be on my best behavior at all times and follow the directions of Lisa Hanes, Brenda Cipriano or a person appointed by them. I will make sure that my family has their contact information. I will notify them if there are any problems with me physically or with a fellow member. I will be on-time or early when we need to meet. And most importantly, I will have a fun weekend, make new friends and enjoy this great experience!

I also understand that in the event I damage the costume on purpose by messing around, poking holes in the screens, not following the guidelines, etc. that we will be responsible to pay to have the costume fixed. This does not include normal wear and tear on the costume, but instead deliberate damage as determined by the Corn Festival Committee.
